Attorneys' fees and costs decision based on
stipulation of fact

Ronald C. Homer, Boston, MA, for petitioner.

Michael P. Milmo, Washington, DC, for respondent.

MILLMAN, Special Master

DECISION AWARDING ATTORNEYS' FEES AND COSTS¹

On March 7, 2014, the parties filed a stipulation of fact in which they agreed on an appropriate amount for attorneys' fees and costs in this case.

¹ Because this unpublished decision contains a reasoned explanation for the special master's action in this case, the special master intends to post this unpublished decision on the United States Court of Federal Claims's website, in accordance with the E-Government Act of 2002, Pub. L. No. 107-347, 116 Stat. 2899, 2913 (Dec. 17, 2002). Vaccine Rule 18(b) states that all decisions of the special masters will be made available to the public unless they contain trade secrets or commercial or financial information that is privileged and confidential, or medical or similar information whose disclosure would constitute a clearly unwarranted invasion of privacy. When such a decision is filed, petitioner has 14 days to identify and move to redact such information prior to the document's disclosure. If the special master, upon review, agrees that the identified material fits within the banned categories listed above, the special master shall redact such material from public access.

In accordance with the General Order #9 requirement, petitioner filed a statement on November 1, 2013, asserting that he incurred \$8,125.00 in out-of-pocket costs to pursue this petition.

Petitioner filed a motion for attorneys' fees and costs on October 22, 2013, and supplemental motions for attorneys' fees and costs on December 5, 2013, and on February 10, 2014. During informal discussions, respondent raised objections to certain items in petitioner's application. Based on these objections, petitioner amends his application for attorneys' fees and costs to request reimbursement for attorneys' fees and costs in the amount of \$67,500.00 and petitioner's costs in the amount of \$1,100.00. Respondent does not object to this amount. The undersigned finds this amount to be reasonable. Accordingly, the court awards:

- a. **\$67,500.00**, representing reimbursement for attorneys' fees and costs. The award shall be in the form of a check made payable jointly to petitioner and Conway, Homer & Chin-Caplan, P.C. in the amount of **\$67,500.00**; and
- b. **\$1,100.00**, representing reimbursement for petitioner's costs. The award shall be in the form of a check made payable to petitioner in the amount of **\$1,100.00**.

In the absence of a motion for review filed pursuant to RCFC Appendix B, the clerk of the court is directed to enter judgment herewith.²

IT IS SO ORDERED.

² Pursuant to Vaccine Rule 11(a), entry of judgment can be expedited by each party, either separately or jointly, filing a notice renouncing the right to seek review.
